FROM: Justin A. Milam, AICP, Planning Officer
DATE: Monday, May 17, 2010
SUBJECT: Comprehensive Graphics Plan Application BZ 06-10 – Kingsdale

Action Requested: Postpone

Mr. Rick Lindenmuth of Continental Real Estate left a voice message for Staff on Thursday, May 13, 2010 to request that this matter be postponed. The applicant would like additional time to revise the graphics plan per recommendations of the Board. Staff met with the applicant on May 10, 2010 to examine the plan and changes could not be made in time for the BZAP packet. The applicant expects to be ready for the June meetings and apologizes for any delay or inconvenience this may cause.
