NOTE: When working in the public right-of-way:

- 1) A **PUBLIC TREE WORK PERMIT** from the Division of Parks & Forestry (583-5340) is required prior to any excavation, grading, or paving within 10' of a tree; or work requiring the removal, planting, or pruning of any tree or shrub within the City's right-of-way.
- 2) A **CONSTRUCTION RIGHT-OF-WAY** permit from the Division of Engineering (583-5351) is required prior to the construction of any new approach/driveway on a street with no curb/gutter. Refer to U.A.C.O. § 1304.02 for construction standards.
- 3) Placement of an approach/driveway on any utility easement does not relieve the owner of responsibility for the approach/driveway should access to or disturbance of the easement ground become necessary.
- 4) Placement of an approach/driveway on a pedestrian easement is prohibited.

In consideration of permission granted, I/we agree to construct said work in all respects in conformity with Chapters 729, 901, and 1304 of the Codified Ordinances of the City of Upper Arlington.
