

## **Reed Road Reconstruction Project (Lane Road to Henderson Road)**

### **NOTICE OF PUBLIC MEETING**

**5-7 p.m., Tuesday, September 12, 2017**

**Municipal Services Center, 3600 Tremont Road**

The City of Upper Arlington Engineering Division invites you to a public meeting scheduled for **Tuesday, September 12, from 5–7 p.m.**, relative to the proposed reconstruction work scheduled for your street this year.

This project includes:

- Removal and replacement of the existing curb and gutter
- Removal and replacement of the existing asphalt roadway
- Removal and replacement of the driveway aprons 5 feet from the back of curb

The general contractor for this project is Decker Construction. They have successfully completed work on numerous other projects in Upper Arlington in past years.

At this Public Meeting, plans will be available for your review, and City staff will be on hand to answer any questions you may have concerning this project. **Please note:** This is not a formal presentation—the session will be set up as an “open house.” Please attend any time between 5 p.m. and 7 p.m.

Property owners unable to attend the meeting can contact the Engineering Division after September 12 to request a private meeting relative to this project. In the meantime, if you have any questions or comments, please contact Sebastian French, Project Manager (614-583-5360, [sfrench@uaoh.net](mailto:sfrench@uaoh.net)). Additional “Focus On” notices will follow with project updates. The City encourages you to follow us on Facebook ([facebook.com/CityofUA](https://facebook.com/CityofUA)) or Twitter ([@CityofUA](https://twitter.com/CityofUA)) for timely updates on these and other construction projects, community issues and more.
